

Neuroscience Education Workshop for Undergraduates

The Allen Institute's 2022 cohort of summer interns from across the U.S.

When: Saturday, October 8, 2022 from 10:00am - 3:30pm

Where: 615 Westlake Ave N,
Seattle, WA 98109

The first **25 students** who register will:

- Tour the Allen Institute
- Learn about the Institute's internship program and other career opportunities
- Help craft our newest open neuroscience lesson series, including real human brain data to study Alzheimer's disease
