

PLAY VIDEO GAMES FOR CREDIT THIS SUMMER

Cinema and Media Studies CMS 274: Intro to Video Games (Media Critical Concepts)

- Learn about the origins of video games
- Play retro games in class
- Build your own game controller
- Discuss the roles of gender, sexuality, and race in gaming culture
- Encounter the world of indie games
- Design a simple video game for credit (no experience required!)

**5 credits (VLPA), Professor Mal Ahern (malahern@uw.edu)
Summer Session B, MTWTh 9:40-11:50am**

Class meets in person. All meetings will be recorded on Panopto. All exams and assignments can be submitted online. Attendance does not count towards grade.
