Faculty Disclosure Information

The University of Washington School of Medicine endorses the standards of the Accreditation Council for Continuing Medical Education and the guidelines of the Association of American Colleges that the sponsors of continuing medical education activities and the speakers at these activities disclose significant relationships with commercial companies whose products or services are discussed in educational presentations. For speakers, significant relationships include receiving from a commercial company research grants, consultancies, honoraria and travel, or other benefits or having a self-managed equity interest in a company. Disclosure of a relationship is not intended to suggest or condone bias in any presentation, but is made to provide participants with information that might be of potential importance to their evaluation of a presentation.

The following speakers have disclosed the described relationships:

Speaker

Scott Hagan, MD

Description of Relationship

New England Journal of Medicine – honorarium for obesity perspective (Relationship Ended)
